AMENDMENT TO RULES COMMITTEE PRINT 116-63

OFFERED BY M__. _____

At the end of subtitle F of title XII, add the following:

SEC. 126___. SENSE OF CONGRESS.

It is the sense of Congress that in order to reduce emissions and meet 100 percent of the power demand in the United States through clean, renewable, or zero emission energy sources while maintaining United States leadership in science and technology, the Secretary of Energy must prioritize funding for critical fundamental research infrastructure and for basic research and development activities carried out through the Office of Science.
