AMENDMENT TO RULES COMM. PRINT 117–31
OFFERED BY MR. JACKSON OF TEXAS

At the end of subtitle A of title I of division D, add the following:

SEC. 30103. BRIEFING ON UNITED STATES STRATEGY REGARDING UNITED STATES’ ACTIVE PHARMACEUTICAL MANUFACTURING.

(a) In general.—Not later than 90 days after the date of the enactment of this Act, and every 180 days thereafter for three years, the Secretary of State, or the Secretary’s designee, shall provide to the appropriate congressional committees a briefing on actions taken by the United States to improve domestic production of active pharmaceutical manufacturing.

(b) Elements.—The briefing shall include the following elements:

(1) A description of actions taken by the United States commencing January 20, 2021, to work with State and local governments with the purpose of collaborating to foster an environment to increase such manufacturing.
(2) A description of specific concerns that will prevent the United States from increasing such manufacturing.

(3) A plan of action to increase cooperation with State and local governments, including through meetings, grant programs, or studies.

(4) A plan of action to increase such manufacturing.

(5) Any legislative authorities that are lacking or could be helpful to improve such manufacturing.

(c) APPROPRIATE CONGRESSIONAL COMMITTEES DEFINED.—In this section, the term “appropriate congressional committees” means the Committee on Foreign Affairs of the House of Representatives and the Committee on Foreign Relations of the Senate.
