

AMENDMENT TO RULES COMMITTEE PRINT 119–3

OFFERED BY MR. RASKIN OF MARYLAND

In section 20007, redesignate text on page 129, lines 9-20 as subsection (a) and insert after subsection (a) the following new subsection:

(b) **LIMITATION ON AVAILABILITY OF FUNDS** – No federal funds shall be used to modify, equip, staff, or retrofit an aircraft for the purposes of transporting the President of the United States unless such an aircraft:

(1) is commissioned as a VC-series and built within the United States;

(2) was purchased using funds expressly authorized by Congress; and

(3) is consistent with the standards of previous VC-series aircraft to be equipped with communications capability and security equal to that of the White House.
