Page 124, line 8, strike “(c)(6)”.

Page 124, beginning line 10, strike “is amended by adding at the end the following:” and insert “is amended—”

1           (1) in subsection (b)(3), by adding at the end  
2           the following new subparagraph:

3                   “(E) With respect to potential covered pro-  
4                   totype and demonstration projects involving  
5                   geothermal technologies, whether the installa-  
6                   tion has been identified by the Director of the  
7                   Geothermal Technologies Office of the Depart-  
8                   ment of Energy as a potential Federal site for  
9                   a geothermal project and is eligible to receive  
10                  technical assistance under the initiative carried  
11                  out between the Geothermal Technologies Office  
12                  of the Department and the Federal Energy  
13                  Management Program of the Department  
14                  known as the ‘Federal Geothermal Partner-  
15                  ship’, or such successor initiative.”; and

- 1 (2) in subsection (c)(6), by adding at the end
- 2 the following new subparagraph:
