

AMENDMENT TO H.R. 4
OFFERED BY MS. BASS OF CALIFORNIA

At the end of title I, insert the following:

1 **SEC. 1** . **DEVIATION FROM MINIMUM ALTITUDE.**

2 Not later than 180 days after the date of enactment
3 of this Act, if more than 25 percent of flights on a single
4 procedure deviate lower than minimum published altitude
5 in a single month, the Administrator of the FAA, not later
6 than 60 days after such month, shall submit a report to
7 Congress explaining the reason for the high level of low
8 altitude flights.
