1 **SEC. 10613. NATIONAL CIRCULAR ECONOMY ROADMAP.**

2 (a) DEFINITIONS.—In this section:

3 (1) CIRCULAR ECONOMY.—The term “circular  
4 economy” means an economy that uses a systems-fo-  
5 cused approach and involves industrial processes and  
6 economic activities that—

7 (A) are restorative or regenerative by de-  
8 sign;

9 (B) enable resources used in such proc-  
10 esses and activities to maintain their highest  
11 values for as long as possible; and

12 (C) aim for the elimination of waste  
13 through the superior design of materials, prod-  
14 ucts, and systems (including business models).

15 (2) DIRECTOR.—The term “Director” means  
16 the Director of the Office of Science and Technology  
17 Policy.

18 (b) NATIONAL CIRCULAR ECONOMY ROADMAP.—

1           (1) IN GENERAL.—Not later than 2 years after  
2           the date of the enactment of this section, the Direc-  
3           tor shall develop a national circular economy road-  
4           map that includes—

5                   (A) a vision for how the science and tech-  
6                   nology enterprise should support the develop-  
7                   ment of a circular economy in the United  
8                   States;

9                   (B) identification of key public and private  
10                  stakeholders that may contribute to or benefit  
11                  from a transition to a circular economy; and

12                  (C) recommendations on specific Federal  
13                  policies needed to drive this transition.

14           (2) COORDINATION.—In developing the road-  
15           map under paragraph (1), the Director shall, as ap-  
16           propriate, coordinate with—

17                   (A) the Secretary of Energy;

18                   (B) the Administrator of the Environ-  
19                  mental Protection Agency;

20                   (C) the Secretary of Commerce;

21                   (D) the Director of the National Institutes  
22                  of Standards and Technology; and

23                   (E) the head of any other relevant Federal  
24                  agency.

1           (3) LEVERAGING EXISTING AGENCY PRO-  
2           GRAMS.—In developing the roadmap under para-  
3           graph (1), the Director shall, as appropriate, lever-  
4           age efforts from existing Federal agency programs  
5           relevant to a circular economy.

6           (4) CONSULTATION.—In developing the road-  
7           map under paragraph (1), the Director may consult  
8           academic, nonprofit, and industry stakeholders.
