4 **DENTS.**

5 (a) **REQUIREMENTS.**—The Secretary of the Defense  
6 shall take such steps as may be necessary to carry out  
7 the following with respect to the Army, Navy, Marine  
8 Corps, and Air Force:

9 (1) To develop more clearly defined roles for ve-  
10 hicle commanders and establish mechanisms and  
11 procedures for tactical vehicle risk management to  
12 be used by first-line supervisors, including vehicle  
13 commanders.

14 (2) To evaluate the number of personnel within  
15 operational units who are responsible for tactical ve-  
16 hicle safety and determine if these units are appro-  
17 priately staffed, or if any adjustments are needed to  
18 workloads or resource levels to implement oper-  
19 ational unit ground-safety programs.

1           (3) To ensure that tactical vehicle driver train-  
2           ing programs, including licensing, unit, and follow-  
3           on training programs, have a well-defined process  
4           with specific performance criteria and measurable  
5           standards to identify driver skills and experience  
6           under diverse conditions.

7           (4) To evaluate—

8                   (A) the extent to which ranges and train-  
9                   ing areas are fulfilling responsibilities to iden-  
10                  tify and communicate hazards to units; and

11                  (B) to the extent to which such responsibil-  
12                  ities are not being carried out, whether existing  
13                  solutions are adequate or if additional resources  
14                  should be applied to fulfill such responsibilities.

15           (b) CONSULTATION REQUIREMENT.—The Secretary  
16           of the Army, the Secretary of the Navy, the Secretary of  
17           the Air Force, and the Commandant of the Marine Corps  
18           shall jointly establish a formal collaboration forum among  
19           Army, Navy, Air Force, and Marine Corps range officials  
20           through which such officials shall share methods for iden-  
21           tifying and communicating hazards to units.
