

**AMENDMENT TO RULES COMM. PRINT 117-54**  
**OFFERED BY MRS. CAMMACK OF FLORIDA**

At the appropriate place in subtitle A of title XIII,  
insert the following:

1 **SEC. \_\_\_\_ . STRENGTHENING TAIWAN'S CYBER DEFENSE**  
2 **AND RESILIENCE CAPABILITIES.**

3 (a) SENSE OF CONGRESS.—It is the sense of Con-  
4 gress that—

5 (1) It is the common interest of the United  
6 States and allies and partners to strive for an Indo-  
7 Pacific region that is free, open, inclusive, healthy,  
8 and anchored by democratic values and market-  
9 based rules;

10 (2) Taiwan is a vital part of the global high  
11 technology supply chain with top-notch manufac-  
12 turing capacity for chips; and it is in the political,  
13 security and economic interests of the United States  
14 to advocate for peace and stability across the Tai-  
15 wan Strait.

16 (3) In light of the growing threat posed by the  
17 Chinese Communist Party, it is critically important  
18 to study the war in Ukraine and the emerging

1 trends in warfare and apply applicable lessons with  
2 respect to the Indo-Pacific and Taiwan in particular.

3 (4) The United States should continue to sup-  
4 port efforts to assist in Taiwan's cybersecurity ca-  
5 pacity and strengthen its ability to detect, inves-  
6 tigate, disrupt, and deter cyberattacks by strength-  
7 ening cybersecurity policy, enhancing technology in-  
8 frastructure, supporting cybersecurity education and  
9 training, and helping Taiwan engage with inter-  
10 national cybersecurity frameworks and organiza-  
11 tions, including as a contributing participant to  
12 NATO Cooperative Cyber Defense Centre of Excel-  
13 lence.

14 (b) REPORT.—Not later than 180 days after the date  
15 of the enactment of this Act, the Secretary of Defense,  
16 in coordination with the Secretary of State, and the heads  
17 of other appropriate Federal departments and agencies,  
18 shall submit to the congressional defense committees a re-  
19 port that includes the following:

20 (1) An identification of critical areas of vulner-  
21 ability within Taiwan's cyber defense.

22 (2) An evaluation of a scenario involving cyber-  
23 attack in Taiwan causing a disruption to critical in-  
24 frastructure.

1           (3) A plan to assist Taiwan in strengthening its  
2           ability to detect, investigate, disrupt, and deter  
3           cyberattacks and malign digital influence operations  
4           by assisting in the development of—

5                   (A) cybersecurity incident response teams;  
6           and

7                   (B) procedures for responding to and miti-  
8           gating the damage of cyberattacks.

9           (4) The role that joint United States military  
10          training, exercises, and partnerships with Taiwan  
11          can play in enhancing Taiwan's cyber defense and  
12          resiliency capabilities, including through traditional  
13          activities of the combatant commands, cooperation  
14          with the National Guard, and multilateral activities.

15          (5) A plan to support multilateral, intergovern-  
16          mental, and nongovernmental efforts for the pur-  
17          poses described in subsection (a), including by advo-  
18          cating for Taiwan's meaningful participation in  
19          cyber security frameworks and organizations.

20          (6) Any other matter, as determined by the  
21          Secretary.
