RULES COMMITTEE PRINT 118–10
OFFERED BY MR. CASAR OF TEXAS

Page 137, line 1, strike “PROVISION” and insert “PROVISION TO MEMBERS”.

Page 137, after line 12, insert the following new paragraph:

(3) Provision to Civilian Employees and Certain Dependents.—

(A) In General.—In addition to the blood testing provided to members of the Armed Forces under paragraph (1), the Secretary of Defense, in coordination with the Director of the Centers for Disease Control and Prevention, shall establish a program under which, at the election of an individual described in subparagraph (B), the Secretary may provide to that individual blood testing to determine potential exposure to perfluoralkyl substances or polyfluoralkyl substances.

(B) Covered Individuals.—An individual described in this subparagraph is—
(i) a civilian employee of the Department of Defense; or

(ii) a spouse, domestic partner, or child of a member of the Armed Forces.

Page 139, after line 14, insert the following new subsection and redesignate the subsequent subsection accordingly:

(d) REPORT ON RESULTS OF BLOOD TESTING.—Not later than two years after the date of enactment of this Act, and subject to the Health Insurance Portability and Accountability Act of 1996 (Public Law 104–191) and other applicable provisions of law governing the privacy of health information, the Secretary of Defense, in coordination with the Director of the Centers for Disease Control and Prevention, shall publish on a publicly available website of the Department of Defense a report containing anonymized data on the presence of perfluoralkyl substances or polyfluoralkyl substances in the blood stream of members of the Armed Forces, family members of such members, and civilian employees of the Department of Defense. Such data shall be presented in the aggregate and disaggregated by gender, age, and pregnancy status.
