4 **STRUCTURE AND FACILITIES.**

5 (a) **IN GENERAL.**—The Comptroller General of the
6 United States shall conduct an assessment of possible in-
7 equitable prioritization of military construction, mainte-
8 nance, and upgrades of joint base infrastructure and fa-
9 cilities, with a focus on facilities as they relate to subordi-
10 nate components relative to the supporting component on
11 joint bases.

12 (b) **ELEMENTS.**—The assessment required by sub-
13 section (a) shall include the following elements:

14 (1) Historical analysis of investments made in
15 infrastructure used by supported components, in-
16 cluding allocation of new infrastructure spending be-
17 tween supported and supporting components.

18 (2) The policies and procedures at the depart-
19 mental and installation level designed to ensure the

1 proper sustainment, restoration, modernization, re-
2 capitalization, new construction, and demolition of
3 infrastructure used by supported components.

4 (3) Efforts to address the priorities of the sup-
5 ported components through military construction
6 and facility upgrades.

7 (4) Potential benefits of using the supported
8 components' service-specific construction agents for
9 major infrastructure investments.
