

**AMENDMENT TO H.R. 4394, AS REPORTED
OFFERED BY MR. COSTA OF CALIFORNIA**

Page 19, line 18, strike “Project.” and insert “Project; *Provided further*, That \$100,000,000 shall be available for planning, pre-construction, or construction activities related to projects for the repair of critical Reclamation canals where operational conveyance capacity has been seriously impaired by factors such as land subsidence, especially those that would imminently jeopardize the ability of the Bureau of Reclamation to meet water delivery obligations in drought prone states, and funds shall be non-reimbursable.”.
