

**AMENDMENT TO RULES COMMITTEE PRINT 115-**

**70**

**OFFERED BY MR. CRAWFORD OF ARKANSAS**

At the end of subtitle B of title III, add the following:

1 **SEC. \_\_\_\_ . EXPLOSIVE ORDNANCE DISPOSAL DEFENSE**  
2 **PROGRAM.**

3 (a) IN GENERAL.—Chapter 136 of title 10, United  
4 States Code, as amended by section 851, is further amend-  
5 ed by adding at the end the following new section:

6 **“SEC. 2284. EXPLOSIVE ORDNANCE DISPOSAL DEFENSE**  
7 **PROGRAM.**

8 “(a) IN GENERAL.—The Secretary of Defense shall  
9 carry out a program to be known as the ‘Explosive Ord-  
10 nance Disposal Defense Program’ (in this section referred  
11 to as the ‘Program’) under which the Secretary shall en-  
12 sure close and continuous coordination between military  
13 departments on matters relating to explosive ordnance dis-  
14 posal support for commanders of geographic and func-  
15 tional combatant commands.

16 “(b) ROLES, RESPONSIBILITIES, AND AUTHORI-  
17 TIES.—The plan under subsection (a) shall include provi-  
18 sions under which—

1 “(1) the Secretary of Defense shall—

2 “(A) assign the responsibility for the direc-  
3 tion, coordination, integration of the explosive  
4 ordnance disposal defense program within the  
5 Department of Defense;

6 “(B) designate the Assistant Secretary of  
7 Defense for Nuclear, Chemical, Biological De-  
8 fense Programs as the key individual for the ex-  
9 plosive ordnance disposal defense program that  
10 develops and oversees policy, plans, programs  
11 and budgets, and issues guidance and provides  
12 direction on Department of Defense explosive  
13 ordnance disposal activities;

14 “(C) designate the Secretary of the Navy,  
15 or a designee of the Secretary’s choice, as the  
16 executive agent for the Department of Defense  
17 that provides oversight of the joint program ex-  
18 ecutive officer whom coordinates and integrates  
19 joint requirements for explosive ordnance dis-  
20 posal and carries out joint research, develop-  
21 ment, test and evaluation and procurement ac-  
22 tivities on behalf of the military departments  
23 and combatant commands with respect to explo-  
24 sive ordnance disposal;

1           “(D) designate the Director of the Defense  
2           Threat Reduction Agency as the responsible  
3           combat support agency that will exercise fund  
4           management responsibility of the Department  
5           of Defense-Wide Program Element for explosive  
6           ordnance disposal research, development, test  
7           and evaluation, transactions other than con-  
8           tracts, cooperative agreements, and grants re-  
9           lated to section 2371 of title 10 during research  
10          projects including rapid prototyping and limited  
11          procurement urgent activities, and acquisition;

12          “(E) designate an Army explosive ord-  
13          nance disposal-qualified general officer as the  
14          responsible senior leader of the Defense Threat  
15          Reduction Agency’s Joint Improvised-Threat  
16          Defeat Organization that serves as the Chair-  
17          man of the Department of Defense explosive  
18          ordnance disposal defense program board,

19          “(2) the Secretary of each military department  
20          shall assess the needs of the military department  
21          concerned with respect to explosive ordnance dis-  
22          posal and may carry out research, development, test  
23          and evaluation activities, including other trans-  
24          actions and procurement activities to address mili-  
25          tary department unique needs such as weapon sys-

1       tems, manned and unmanned vehicles and platforms,  
2       cyber and communication equipment and the inte-  
3       gration of explosive ordnance disposal sets, kits and  
4       outfits and department's developed explosive ord-  
5       nance disposal tools, equipment, sets, kits and out-  
6       fits.

7       “(c) ANNUAL BUDGET JUSTIFICATION DOCU-  
8       MENTS.—

9               “(1) For fiscal year 2021 and each fiscal year  
10       thereafter, the Secretary of Defense shall submit to  
11       Congress with the defense budget materials a con-  
12       solidated budget justification display, in classified  
13       and unclassified form, that includes all of activities  
14       of the Department of Defense relating to the Pro-  
15       gram.

16               “(2) The budget display under paragraph (1)  
17       for a fiscal year shall include a single program ele-  
18       ment for each of the following:

19                       “(A) Civilian and military pay.

20                       “(B) Research, development, test, and  
21       evaluation.

22                       “(C) Procurement.

23                       “(D) Other transaction agreements.

24                       “(E) Military construction.

1           “(3) The budget display shall include funding  
2 data for each of the military department’s respective  
3 activities related to explosive ordnance disposal, in-  
4 cluding—

5                   “(A) operations and maintenance; and

6                   “(B) overseas contingency operations.

7           “(d) DEFINITIONS.—In this section:

8                   “(1) The term ‘explosive ordnance’ means any  
9 munitions containing explosives, nuclear fission or  
10 fusion materials, or biological or chemical agents, in-  
11 cluding—

12                   “(A) bombs and warheads;

13                   “(B) guided and ballistic missiles;

14                   “(C) artillery, mortar, rocket, and small  
15 arms munitions;

16                   “(D) mines, torpedoes, and depth charges;

17                   “(E) demolition charges;

18                   “(F) pyrotechnics;

19                   “(G) clusters and dispensers;

20                   “(H) cartridge and propellant actuated de-  
21 vices;

22                   “(I) electro-explosives devices;

23                   “(J) clandestine and improvised explosive  
24 devices, including improvised nuclear, chemical  
25 and biological devices; and

1           “(K) similar or related items or compo-  
2           nents explosive in nature.

3           “(2) The term ‘disposal’ means, with respect to  
4           explosive ordnance, the assessment, sampling, detec-  
5           tion, identification, verification, field evaluation, de-  
6           feat, disablement, neutralization, or rendering-safe,  
7           war-head packaging, recovery, exploitation, and final  
8           disposition of ordnance.”.

9           (b) CLERICAL AMENDMENT.—The table of sections  
10          at the beginning of such chapter, as amended by section  
11          851, is further amended by adding at end the following  
12          new section:

“2284. Explosive Ordnance Disposal Defense Program.”.
