

**AMENDMENT TO RULES COMM. PRINT 117-31**  
**OFFERED BY MR. CURTIS OF UTAH**

Add at the end of subtitle D of division D the following:

1 **SEC. 30135. REPORT ON CHINA BENEFITTING FROM**  
2 **UNITED STATES TAXPAYER FUNDS.**

3 (a) IN GENERAL.—Not later than one year after the  
4 date of enactment of the Act, the Attorney General, in  
5 consultation with the Secretary of the Treasury, the Sec-  
6 retary of Commerce, the Secretary of State, and the Direc-  
7 tor of National Intelligence, shall submit to Congress a  
8 report on the extent to which China has benefitted from  
9 United States taxpayer-funded research.

10 (b) ELEMENTS.—The report required under sub-  
11 section (a) shall include information relating to the fol-  
12 lowing:

13 (1) The extent to which United States tax-  
14 payer-funded research has benefitted China, includ-  
15 ing a list of United States Government-funded enti-  
16 ties, such as research institutions, laboratories, and  
17 institutions of higher education that have had data  
18 or research stolen by Chinese Communist Party enti-  
19 ties.

1           (2) A list of United States Government pro-  
2           grams, grants, and other forms of United States  
3           taxpayer-funded research funding in the fields of  
4           science, technology, engineering, and math (STEM)  
5           fields that have directly or indirectly cooperated or  
6           affiliated with Chinese Communist Party entities.

7           (3) The extent to which China’s funding of  
8           United States taxpayer-funded research institutions  
9           has benefitted the Chinese Communist Party.

10          (4) How the Government of China and the Chi-  
11          nese Communist Party have used United States tax-  
12          payer-funded research, including as part of China’s  
13          efforts to support “civil-military fusion” and human  
14          rights abuses.

15          (5) A list of United States companies and  
16          startups that received grants, were awarded work on  
17          United States Government projects, or received any  
18          other form of funding and were later bought by com-  
19          panies based in China or later worked on projects  
20          that supported “civil-military fusion” and human  
21          rights abuses in China.

22          (c) DEFINITION.—In this section, the term “United  
23          States taxpayer-funded research” means research—

24                (1) funded by a grant from the United States  
25                Government or a State government; or

1           (2) conducted at an institution that receives  
2           funding from the United States Government or a  
3           State government.
