(g) Report on Effects of Establishment of Government-owned Corporation to Achieve Infrastructure Objectives.—

(1) Report.—Not later than 180 days after the date of enactment of this Act, the Secretary, in conjunction with the Secretaries of Commerce, Energy, Housing and Urban Development, and the Treasury, the Administrator of the Environmental Protection Agency, and the Commanding General of the U.S. Army Corps of Engineers, shall submit a report to Congress on whether the objectives of this subtitle and the amendments made by this subtitle can be better-served, and whether current Federal programs investing in a wide range of infrastructure projects should be supplemented, by the establishment of a government-owned corporation.

(2) Contents.—The report submitted under paragraph (1) shall include the following information:
(A) An analysis of whether such a government-owned corporation, acting under the direction and authorities of the Secretary of the Treasury, could better attract needed global capital for infrastructure development in the United States.

(B) An analysis of whether such a government-owned corporation could significantly enhance investments in energy transmission, energy efficiency enhancement for buildings (including public housing and schools), renewable energy, and energy storage.

(C) An analysis of whether such a government-owned corporation could significantly enhance investments toward the establishment, maintenance, or enhancement of any drinking water and wastewater treatment facility, storm water management system, dam, or levee, solid waste disposal facility, hazardous waste facility, or industrial cleanup site.

(D) An analysis of whether such a government-owned corporation could significantly enhance investments in our Nation’s airports, including the Next Generation Airport Transportation System.
(E) An analysis of whether such a government-owned corporation could significantly enhance investments in telecommunications.

(F) Such recommendations as the Secretary considers appropriate.
