

AMENDMENT TO RULES COMMITTEE
PRINT 115-25
OFFERED BY MRS. DAVIS OF CALIFORNIA

Page 276, before line 1, insert the following (and re-designate accordingly):

- 1 (6) the Administrator should—
- 2 (A) place particular priority in continuing
- 3 measures, including partnering with nongovern-
- 4 mental organizations and State and local agen-
- 5 cies, to educate the public about the dangers to
- 6 public safety of operating unmanned aircraft
- 7 over areas that have temporary flight restric-
- 8 tions in place, for purposes such as wildfires,
- 9 without appropriate approval or authorization
- 10 from the Forest Service; and
- 11 (B) partner with State and local agencies
- 12 to effectively enforce relevant laws so that un-
- 13 manned aircrafts do not interfere with the ef-
- 14 forts of emergency responders;
