(6) the Administrator should—

(A) place particular priority in continuing measures, including partnering with nongovernmental organizations and State and local agencies, to educate the public about the dangers to public safety of operating unmanned aircraft over areas that have temporary flight restrictions in place, for purposes such as wildfires, without appropriate approval or authorization from the Forest Service; and

(B) partner with State and local agencies to effectively enforce relevant laws so that unmanned aircrafts do not interfere with the efforts of emergency responders;
