

AMENDMENT TO H.R. 4
OFFERED BY MRS. DAVIS OF CALIFORNIA

Page 151, before line 17, insert the following (and redesignate accordingly):

1 (6) the Administrator should—

2 (A) place particular priority in continuing
3 measures, including partnering with nongovern-
4 mental organizations and State and local agen-
5 cies, to educate the public about the dangers to
6 public safety of operating unmanned aircraft
7 over areas that have temporary flight restric-
8 tions in place, for purposes such as wildfires,
9 without appropriate approval or authorization
10 from the Forest Service; and

11 (B) partner with State and local agencies
12 to effectively enforce relevant laws so that un-
13 manned aircrafts do not interfere with the ef-
14 forts of emergency responders;
