

**AMENDMENT TO S. CON. RES. 14**  
**OFFERED BY MR. DAVIDSON OF OHIO**

Add at the end the following:

1 **SEC.\_\_\_\_. Flexibility for States and Localities**

2 Findings — State and local governments across the  
3 country have a better understanding of the needs of their  
4 citizens than Congress. Allowing states and local  
5 governments to allocate infrastructure funds will lead to a  
6 more efficient use of those funds.

7 Policy Statement.— It is the policy of this  
8 concurrent resolution on the budget that Congress must  
9 provide funds to states without restricting how states  
10 allocate their infrastructure spending. Except that funds  
11 may not be used to make contributions to any  
12 underfunded pension plan, or to increase the salaries of  
13 government officials.
