

Amendment to Rules Committee Print 119 -33

Offered by Mr. Norman of South Carolina

Sec. \_\_. Briefing on insect repellent available to the Army

(a) Briefing

- (1) Requirement. – Not later than 180 days after the date of enactment of this Act, the Department of the Army shall provide a briefing to the House Armed Services Committee and Senate Armed Services Committee regarding currently validated insect repellent available to the Army.
- (2) Elements. – The briefing under paragraph (1) shall include the following:
  - a. Ongoing evaluations to validate fabric treatments to improve insect repellency for combat uniforms.
  - b. An analysis of fabric treatment and garment treatment performance results.
  - c. Current research and development programs to improve uniform insect repellency.
