1 **SEC. 2822. SENSE OF CONGRESS REGARDING LAND CON-**  
2 **VEYANCE, MOUNTAIN VIEW, CALIFORNIA.**

3 (a) FINDINGS.—Congress finds as follows:

4 (1) The Secretary of the Army is proposing to  
5 convey 17.1 acres of real property in Mountain  
6 View, California, known as Shenandoah Square and  
7 the existing 126 housing units on such property in  
8 order to raise capital to improve other military hous-  
9 ing owned by private entities, despite significant  
10 military demand for affordable housing in the San  
11 Francisco Bay Area from personnel spanning across  
12 the Air Force, Army, Marine Corps, Navy, and  
13 Coast Guard.

14 (2) Under the proposed conveyance, the existing  
15 126 housing units at Shenandoah Square would be  
16 demolished to allow for the construction of high-den-  
17 sity residential housing.

1           (3) Shenandoah Square is one of only 3 mili-  
2           tary housing complexes in the San Francisco Bay  
3           Area and is home to many California National  
4           Guard personnel serving in the 129th Rescue Wing  
5           at Moffett Federal Air Field and civilians who per-  
6           form mission critical work for the 129th Rescue  
7           Wing.

8           (4) The San Francisco Bay Area is confronting  
9           one of the most severe affordable housing crises in  
10          the United States, which has led to a recruitment  
11          and retention crisis for the 129th Rescue Wing.

12          (5) The residents of these units have expressed  
13          concern about their displacement from Shenandoah  
14          Square, as this property is located in one of the  
15          most expensive housing markets in the country, Sil-  
16          icon Valley, and there is great uncertainty about the  
17          affordability of new potential housing on the site.

18          (b) SENSE OF CONGRESS.—It is the sense of Con-  
19          gress that the Secretary of the Army should explore all  
20          possible alternatives to a conveyance of Shenandoah  
21          Square, including subleasing the property to an entity that  
22          can better develop affordable housing on the property.
