AMENDMENT TO RULES COMMITTEE PRINT 116–54

OFFERED BY MS. KENDRA S. HORN OF OKLAHOMA

Page 251, strike line 23 and all that follows through page 252, line 15 and insert the following:

(d) CERTAIN ELECTRIC VEHICLE BATTERY CHARGING STATIONS AND NATURAL GAS VEHICLE REFUELING STATIONS.—Section 1401(d)(2) of MAP–21 (23 U.S.C. 137 note) is amended—

(1) by striking “EXCEPTION.—Electric” and inserting “EXCEPTION.—(A) Electric”; and

(2) by adding at the end the following:

“(B) Notwithstanding subparagraph (A), such charging stations or refueling stations may be located in a park and ride lot that includes no food service or other commercial service if the lot cannot be accessed directly from the Interstate System right-of-way before a vehicle exists the Interstate.”.
