1 **SEC. 3. SENSE OF CONGRESS THAT WAYS AND MEANS COM-**
2 **MITTEE SHOULD ADDRESS TAX REFORM.**

3 It is the sense of Congress that the Committee on
4 Ways and Means should address tax reform that—

5 (1) simplifies the tax code, lowering rates and
6 broadening the tax base;

7 (2) improves progressivity in the code and pro-
8 tects middle-class working families from tax in-
9 creases;

10 (3) improves the long-term fiscal outlook in a
11 way that is both fair and improves economic cer-
12 tainty;

13 (4) encourages economic growth and private
14 sector investment in job creation in the United
15 States;

16 (5) removes incentives to ship jobs overseas and
17 limits incentives that erode the domestic corporate
18 tax base;

1 (6) helps families afford a college education
2 through strong incentives to save early and pay for
3 the increasing costs of tuition;

4 (7) provides assistance to low-income families to
5 get out of poverty through a robust earned income
6 tax credit and child credit; and

7 (8) prioritizes entrepreneurship, so that small
8 businesses continue to be the economic engines of
9 broadly felt growth.
