FOR H.R. 4909
OFFERED BY MR. RUSSELL OF OKLAHOMA**

At the end of title III, add the following new section:

1 **SEC. 3 ____ . MOTOR CARRIER SAFETY PERFORMANCE AND**
2 **SAFETY TECHNOLOGY.**

3 (a) SENSE OF CONGRESS.—It is the sense of Con-
4 gress that the Secretary of Defense, acting through the
5 commander of the United States Transportation Com-
6 mand, should reassess the guidelines for the evaluation of
7 motor carrier safety performance under the Transpor-
8 tation Protective Services program taking into consider-
9 ation the Government Accountability Office report num-
10 bered GAO-16-82 and titled “Defense Transportation;
11 DoD Needs to Improve the Evaluation of Safety and Per-
12 formance Information for Carriers Transporting Security-
13 Sensitive Materials”.

14 (b) EVALUATION OF SAFETY TECHNOLOGY.—To
15 avoid catastrophic accidents and exposure of material, the
16 Secretary shall evaluate the need for proven safety tech-
17 nology in vehicles transporting Transportation Protective
18 Services shipments, such as electronic logging devices, roll

- 1 stability control, forward collision avoidance, lane depar-
- 2 ture warning systems, and speed limiters.
