Page 28, strike lines 15 through 24 and insert the following:

“(B) Adjustment to amounts.—The initial amounts resulting from the calculation under subparagraph (A) shall be adjusted to ensure that each State receives an aggregate apportionment equal to at least 95 percent, but not more than 105 percent, of the sum of—

“(i) the estimated tax payments attributable to highway users in the State paid into the Highway Trust Fund (other than the Mass Transit Account) in the most recent fiscal year for which data are available, plus

“(ii) an amount which bears the same ratio to the General Fund transfer amount as—

“(I) the aggregate of amounts collected in such State under the Federal internal revenue laws (other than
the taxes and penalties described in section 9503(b) of the Internal Revenue Code of 1986), bears to

“(II) the aggregate of amounts collected in all States under such Federal internal revenue laws.

After the adjustment described in the preceding sentence, the aggregate spending allotted to all States shall be adjusted by a single multiplicative factor to ensure that total spending will not be affected by this section. For purposes of this subparagraph, the General Fund transfer amount is an amount equal to the amounts held in Highway Trust Fund that are attributable to appropriations not determined by reference to taxes and penalties described in section 9503(b) of the Internal Revenue Code of 1986.”.
