

Add at the end of subtitle F of title VII add the following:

Sec. 7610. Report on national grape production

(a) In General.—The Secretary of Agriculture, acting through the Administrator of the National Agricultural Statistics Service, shall—

(1) not later than 1 year after the date of the enactment of this Act—

(A) conduct a survey on grape production in each State, including—

(i) total acreage; and

(ii) production, utilization, and acreage by type, variety, county, and year planted;
and

(B) make publicly available on the website of the National Agricultural Statistics Service the results of such survey and the data from such survey; and

(2) not later than 2 years after the date of the enactment of this Act and annually for the 3 years thereafter, make publicly available on the website of the National Agricultural Statistics Service data from the 5 States with the highest grape production in the preceding year, as determined using data from the survey required under paragraph (1)(A).
