AMENDMENT TO THE SENATE AMENDMENT TO
H.R. 5376
OFFERED BY MR. GUTHRIE OF KENTUCKY

Add at the end of subtitle B of title I the following:

SEC. 11409. LIMITATION.

Notwithstanding the previous provisions of, including amendments made by, this subtitle, such provisions and amendments may not be implemented before the date on which the Congressional Budget Office certifies that implementation of such provisions and amendments would not result in 10 or more drugs and devices that are approved, licensed, cleared, or authorized by the Food and Drug Administration not coming to market.
