

**AMENDMENT**  
**OFFERED BY MR. GRAVES OF LOUISIANA**

At the end of Title IV, “(e) Limitation” insert the following -

“No funds provided by this Act or any Act of Congress shall be expended for the purpose of Presidential travel if the purpose of such travel is intended to meet with officials of foreign governments who are members of the Organization of Oil Exporting Countries regarding increasing global oil and gas production; unless the Administration has taken meaningful steps to fully leverage domestic ability to produce energy resources by holding no less than two area-wide offshore oil and gas lease sales in the Gulf of Mexico, each fiscal year.”
