

AMENDMENT
OFFERED BY MR. GRAVES OF LOUISIANA

At the end of Title IV, “(e) Limitation” insert the following -

“No funds provided by this Act or any Act of Congress shall be expended for the purpose of Presidential travel if the purpose of such travel is intended to meet with officials of foreign governments who are members of the Organization of Oil Exporting Countries regarding increasing global oil and gas production; unless the Administration has taken meaningful steps to fully leverage domestic ability to produce energy resources by holding no less than four onshore oil and gas lease sales, each fiscal year, for each state with which Federal lands have been identified as suitable for development.”
