

AMENDMENT

OFFERED BY MR. GRAVES OF LOUISIANA

At the appropriate place in the bill, insert the following:

No funds provided under this act shall be made available until the Secretary of Energy, in consultation with the Secretary of the Interior, provides a report to Congress detailing opportunities to develop a modernized energy reserve strategy in an effort to mitigate volatility in energy markets, improve the resiliency, reliability, and availability of domestic energy resources, and support the recovery of areas impacted by a natural disaster, such report should consider the appropriate role for renewable energy, next generation nuclear, and a refined product reserve.
