In section 44121, add at the end the following:

- 1 (b) Conditional Effectiveness.—Subsection (a)
- 2 shall not apply with respect to a State on or after the
- 3 date on which an adverse event (including death or tem-
- 4 porary harm) occurs in such State resulting from a level
- 5 of staffing in a long-term care facility that would not be
- 6 permitted under the final rule described in such sub-
- 7 section.
