

**AMENDMENT TO THE RULES COMMITTEE PRINT
OF H.R. 658
OFFERED BY MS. HIRONO OF HAWAII**

Page 118, strike line 11 and all that follows through
line 5 on page 119 and insert the following:

1 SEC. 308. FLIGHT ATTENDANT FATIGUE.

2 (a) AVIATION RULEMAKING COMMITTEE.—The Ad-
3 ministrator of the Federal Aviation Administration shall
4 convene an aviation rulemaking committee—

5 (1) to study, and analyze existing research on,
6 the issue of flight attendant fatigue; and

7 (2) to develop recommendations for regulatory
8 action on that issue.

9 (b) COMPOSITION.—The aviation rulemaking com-
10 mittee shall be composed of subject matter experts, avia-
11 tion labor representatives, and industry stakeholders.

12 (c) CONTENTS.—The aviation rulemaking committee
13 shall carry out each of the following:

14 (1) A study of incident reports regarding flight
15 attendant fatigue.

16 (2) A review of international policies and prac-
17 tices regarding flight limitations and rest of flight
18 attendants.

1 (3) An analysis of potential benefits of training
2 flight attendants regarding fatigue.

3 (4) An analysis of existing research on model
4 validation.

5 (d) REPORT.—Not later than September 30, 2012,
6 the aviation rulemaking committee shall submit to the Ad-
7 ministrator and Congress a report containing the commit-
8 tee’s findings and recommendations for regulatory action.
