

AMENDMENT TO RULES COMMITTEE PRINT 117–

13

OFFERED BY MR. HORSFORD OF NEVADA

At the end of subtitle B of title III, insert the following:

1 **SEC. 3___. PILOT PROGRAM TO TEST NEW SOFTWARE TO**
2 **TRACK EMISSIONS AT CERTAIN MILITARY IN-**
3 **STALLATIONS.**

4 (a) **IN GENERAL.**—The Secretary of Defense may
5 conduct a pilot program (to be known as the “Installations
6 Emissions Tracking Program”) to evaluate the feasibility
7 and effectiveness of software and emerging technologies
8 and methodologies to track real-time emissions from in-
9 stallations and installation assets.

10 (b) **GOALS.**—The goals of the Installations Emissions
11 Tracking Program are—

12 (1) to prove software and emerging tech-
13 nologies, methodologies, and capabilities to effec-
14 tively track emissions in real time; and

15 (2) to reduce energy costs and increase effi-
16 ciencies.

17 (c) **LOCATIONS.**—If the Secretary conducts the In-
18 stallations Emissions Tracking Program, the Secretary

1 shall select, for purposes of the Program, four major mili-
2 tary installations located in different geographical regions
3 of the United States that the Secretary determines—

4 (1) are prone to producing higher emissions;

5 (2) are in regions that historically have poor air
6 quality; and

7 (3) have historically higher than average utility
8 costs.
