

**AMENDMENT TO RULES COMM. PRINT 117-31**  
**OFFERED BY MR. MEUSER OF PENNSYLVANIA**

Add at the end of section 30276 the following:

1           (e) SENSE OF CONGRESS RELATED TO AFRICA EN-  
2 ERGY SECURITY AND DIVERSIFICATION.—It is the sense  
3 of Congress that Power Africa, as authorized by the Elec-  
4 trify Africa Act of 2015 (Public Law 114-121), is an im-  
5 portant initiative that advances United States strategic in-  
6 terests and should retain full flexibility to finance power-  
7 generating investments in sub-Saharan Africa for the pur-  
8 poses of diversifying energy sources, expanding access to  
9 power and alleviating poverty.

10          (f) EXEMPTION RELATED TO DEVELOPING AND UN-  
11 DERDEVELOPED COUNTRIES.—The United States Inter-  
12 national Development Finance Corporation and United  
13 States Agency for International Development are exempt-  
14 ed from policies aimed at restricting energy technologies  
15 or other investments, for the enforcement of any rule, reg-  
16 ulation, policy, or guidelines implemented pursuant to  
17 United States Government environmental or climate-re-  
18 lated policies or when enforcement of any rule, regulation,  
19 policy, or guidelines would prohibit, or have the effect of  
20 prohibiting, any power-generation projects in sub-Saharan

- 1 Africa the purpose of which is to provide affordable elec-
- 2 tricity in International Development Association (IDA)-el-
- 3 igible countries and IDA-blend countries.
