

AMENDMENT
TO RULES COMMITTEE PRINT 116-54
OFFERED BY MR. GOTTHEIMER OF NEW JERSEY

At the end of title I of division D, add the following:

1 **SEC. 9107. NORTH RIVER TUNNEL SHUTDOWN CONTIN-**
2 **GENCY ASSESMENT.**

3 Not later than 60 days after the date of enactment
4 of this Act, the Secretary of Transportation shall publish
5 a report that explains—

6 (1) the contingency plan of the Department of
7 Transportation, in coordination with other relevant
8 Federal agencies, detailing a specific plan of action
9 in the case of a shutdown of the North River Tunnel
10 under the Hudson River and that addresses issues
11 including ensuring commuters, tourists, and others
12 will maintain the ability to travel between New Jer-
13 sey and New York and throughout the region; and

14 (2) the contingency plan of the Department of
15 Transportation, in coordination with other relevant
16 Federal agencies, detailing a specific plan of action
17 to ensure minimal disruption to, and negative im-

- 1 pact on national security, the economy, public
- 2 health, the environment, and property values.
