AMENDMENT TO
RULES COMMITTEE PRINT 116-19
OFFERED BY MR. HUFFMAN OF CALIFORNIA

At the end of subtitle H of title X, insert the following:

SEC. ___. LANDS TO BE TAKEN INTO TRUST AS PART OF
THE RESERVATION OF THE LYTTON RANCHERIA.

(a) FINDINGS.—Congress finds the following:

(1) The Lytton Rancheria of California is a federally recognized Indian tribe that lost its homeland after its relationship to the United States was unjustly and unlawfully terminated in 1958. The Tribe was restored to Federal recognition in 1991, but the conditions of its restoration have prevented it from regaining a homeland on its original lands.

(2) Congress needs to take action to reverse historic injustices that befell the Tribe and that have prevented it from regaining a viable homeland for its people.

(3) Prior to European contact there were as many as 350,000 Indians living in what is now the State of California. By the turn of the 19th century,
that number had been reduced to approximately
15,000 individuals, many of them homeless and liv-
ing in scattered bands and communities.

(4) The Lytton Rancheria’s original homeland
was purchased by the United States in 1926 pursuant to congressional authority designed to remedy
the unique tragedy that befell the Indians of Cali-
ifornia and provide them with reservations called
Rancherias to be held in trust by the United States.

(5) After the Lytton Rancheria lands were pur-
chased by the United States, the Tribe settled on
the land and sustained itself for several decades by
farming and ranching.

(6) By the mid-1950s, Federal Indian policy
had shifted back towards a policy of terminating the
Federal relationship with Indian tribes. In 1958,
Congress enacted the Rancheria Act of 1958 (72
Stat. 619), which slated 41 Rancherias in California,
including the Lytton Rancheria, for termination
after certain conditions were met.

(7) On August 1, 1961, the Federal Govern-
ment terminated its relationship with the Lytton
Rancheria. This termination was illegal because the
conditions for termination under the Rancheria Act
had never been met. After termination was imple-
mented, the Tribe lost its lands and was left without any means of supporting itself.

(9) The Stipulated Judgment provides that the Lytton Rancheria would have the “individual and collective status and rights” which it had prior to its termination and expressly contemplated the acquisition of trust lands for the Lytton Rancheria.

(10) The Stipulated Judgment contains provisions, included at the request of the local county governments and neighboring landowners, that prohibit the Lytton Rancheria from exercising its full Federal rights on its original homeland in the Alexander Valley.

(11) In 2000, approximately 9.5 acres of land in San Pablo, California, was placed in trust status for the Lytton Rancheria for economic development purposes.

(12) The Tribe has since acquired, from willing sellers at fair market value, property in Sonoma County near the Tribe’s historic Rancheria. This property, which the Tribe holds in fee status, is suitable for a new homeland for the Tribe.

(13) On a portion of the land to be taken into trust, which portion totals approximately 124.12 acres, the Tribe plans to build housing for its members and governmental and community facilities.

(14) A portion of the land to be taken into trust is being used for viniculture, and the Tribe intends to develop more of the lands to be taken into trust for viniculture. The Tribe’s investment in the ongoing viniculture operation has reinvigorated the vineyards, which are producing high-quality wines. The Tribe is operating its vineyards on a sustainable basis and is working toward certification of sustainability.

(15) No gaming shall be conducted on the lands to be taken into trust by this section.

(16) No gaming shall be conducted on any lands taken into trust on behalf of the Tribe in Sonoma County after the date of the enactment of this Act.
(17) By directing that these lands be taken into trust, the United States will ensure that the Lytton Rancheria will finally have a permanently protected homeland on which the Tribe can once again live communally and plan for future generations. This action is necessary to fully restore the Tribe to the status it had before it was wrongfully terminated in 1961.

(18) The Tribe and County of Sonoma have entered into a Memorandum of Agreement as amended in 2018 in which the County agrees to the lands in the County being taken into trust for the benefit of the Tribe in consideration for commitments made by the Tribe.
