OFFERED BY MR. HUFFMAN OF CALIFORNIA**

Amend section 604 to read as follows:

1 **SEC. 604. IMPLEMENTATION OF WATER REPLACEMENT**
2 **PLAN.**

3 It is the sense of Congress that the plan required by

5 to increase the water yield of the Central Valley Project
6 was fulfilled by the Bureau of Reclamation report titled
7 “Least-Cost CVP Yield Increase Plan” dated October
8 1995 and submitted to Congress the following year; that
9 as outlined in the report the least-cost options for increas-
10 ing CVP yield include purchases of water available from
11 land fallowing, conjunctive use of surface water and
12 groundwater, agricultural and urban water conservation,
13 and urban wastewater reuse; and that as stated in the re-
14 port it is the responsibility of Congress to consider and
15 authorize the implementation of this plan and its indi-
16 vidual projects.
