OFFERED BY MR. HUIZENGA OF MICHIGAN

Add at the end the following:

DIVISION F—BLOCK IRANIAN ACCESS TO U.S. BANKS ACT OF 2020

SEC. 6001. SHORT TITLE.

This division may be cited as the “Block Iranian Access to U.S. Banks Act of 2020”.

SEC. 6002. FINDINGS.

The Congress finds the following:

(1) In 2019, the Department of the Treasury concluded that Iran is a jurisdiction of primary money laundering concern and imposed restrictions on correspondent accounts in the United States involving Iranian financial institutions.

(2) In June 2019, the Financial Action Task Force (“FATF”) urged all jurisdictions to require increased supervisory examination for branches and subsidiaries of financial institutions based in Iran.

The FATF later called upon its members to introduce enhanced relevant reporting mechanisms or
systematic reporting of financial transactions, and
require increased external audit requirements, for fi-
nancial groups with respect to any of their branches
and subsidiaries located in Iran.

(3) According to the State Department’s
“Country Reports on Terrorism” in 2018, “Iran is
the world’s foremost state sponsor of terrorism.”
The regime has spent nearly one billion dollars per
year to support terrorist groups that serve as its
proxies and expand its malign influence across the
globe. Tehran has funded international terrorist
groups such as Hizballah, Hamas, and Palestinian
Islamic Jihad.

SEC. 6003. SENSE OF CONGRESS.
It is the sense of the Congress that the deposits of
United States citizens held in United States financial in-
stitutions should not be used to finance the Government
of Iran.
