**AMENDMENT TO RULES COMMITTEE PRINT 114-32
OFFERED BY MS. JACKSON LEE OF TEXAS**

The Secretary of Transportation or designee shall conduct a national study and produce a report examining the impact of traffic enforcement cameras on public safety. This study and report shall include the examination of drivers' behavior in relation to traffic enforcement cameras. This report shall also include the number of crashes and fatalities that have resulted after the installation of traffic enforcement cameras, including the nature and type of crash and the location of the crash in relation to the location of the camera, as well as the type and setting for the length of the yellow phase and warning mechanism in place, and rate of erroneous readings. The study and report shall be conducted by independent party bearing no conflict of interest or pecuniary interest or association with the auto industry, auto insurance industry or camera manufacturing industry. The final report shall be submitted to Congress within 1 year.
