**IN THE HOUSE OF REPRESENTATIVES**

Ms. KAMLAGER-DOVE introduced the following bill; which was referred to the  
Committee on \_\_\_\_\_

\_\_\_\_\_  
**A BILL**

To modify the responsibilities of the Coordinator for Afghan  
Relocation Efforts, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Enduring Welcome Act  
5       of 2025”.

6       **SEC. 2. FINDINGS.**

7       Congress finds the following:

1           (1) The Enduring Welcome program is the  
2           safest, most secure legal immigration pathway to the  
3           United States.

4           (2) The resettlement of Afghan allies in the  
5           Special Immigrant Visa (SIV) and the United States  
6           Refugee Admissions Program (USRAP) P1/P2 pipe-  
7           lines is critical to upholding United States credibility  
8           and incentivizing future support for United States  
9           servicemembers.

10          (3) Failing to reunite active-duty United States  
11          military personnel and veterans with their Afghan  
12          family members in the Afghan relocation pipeline is  
13          harmful to the United States servicemember commu-  
14          nity.

15          (4) A review conducted by Department of Jus-  
16          tice's Office of Inspector General released on June  
17          10, 2025, concluded that the process for vetting ap-  
18          plicants for Afghan SIVs is rigorous and effective in  
19          protecting United States national security.

20          (5) The permanent authorization of the Coordi-  
21          nator for Afghan Relocation Efforts (CARE) under  
22          section 7810 of the Servicemember Quality of Life  
23          Improvement and National Defense Authorization  
24          Act for Fiscal Year 2025 (Public Law 118–159) re-  
25          flects a bipartisan commitment to fulfilling wartime

1 promises and ensuring accountability in United  
2 States relocation policy.
