AMENDMENT TO RULES COMMITTEE PRINT 115–6

OFFERED BY MS. KAPTUR OF OHIO

Add at the end the following new section:

1 SEC. 14. PILOT PROGRAM FOR CLINICAL OBSERVATION BY
2 PRE-MED STUDENTS.
3 (a) ESTABLISHMENT.—The Secretary of Veterans
4 Affairs shall carry out a pilot program to provide under-
5 graduate students a clinical observation experience at
6 medical centers of the Department of Veterans Affairs.
7 (b) DURATION.—The Secretary shall carry out the
8 pilot program under subsection (a) for a three-year period
9 beginning not later than August 15, 2019.
10 (c) GOALS.—The Secretary shall ensure that the pilot
11 program under subsection (a) meets the following goals:
12 (1) Increases the awareness, knowledge, and
13 empathy of future medical professionals toward the
14 medical conditions common to veterans.
15 (2) Increases the diversity of the recruitment
16 pool of future physicians of the Department.
17 (3) Provides a diverse clinical observation expe-
18 rience commensurate with the standard expectations
19 for medical school applications.
(4) Expands clinical observation opportunities for all students by encouraging students of all backgrounds to consider a career in medicine.

(d) **MEDICAL CENTER SELECTION.**—The Secretary shall select not fewer than five medical centers of the Department to carry out the pilot program under subsection (a). In selecting such medical centers, the Secretary shall ensure regional diversity among such selected medical centers.

(e) **CLINICAL OBSERVATION SESSIONS.**—

(1) **SESSIONS.**—The Secretary shall ensure that each medical center of the Department selected under subsection (d) provides clinical observation sessions as follows:

(A) Each session shall allow for, to the extent practicable, not fewer than 20 students to participate in the session, which shall consist of not fewer than 60 observational hours.

(B) Each center shall carry out three sessions per calendar year, from four to six months in duration with minimal overlap.

(C) A majority of the observational hours shall be spent observing a practicing physician. The other observational hours shall be spent in a manner that ensures a robust, well rounded
experience that exposes the students to a vari-
ety of aspects of medical care and health care
administration.

(2) Consideration of areas with staffing
shortages.—In carrying out paragraph (1)(C), the
Secretary may consider providing clinical observation
sessions with physicians employed in occupations
with large staffing shortages, such as occupations
relating to women’s health and psychiatric care and
occupations identified under section 7412 of title 38,
United States Code.

(f) Students.—

(1) Selection.—The Secretary shall select to
participate in the pilot program under subsection (a)
undergraduate students who are—

(A) citizens of the United States; and

(B) enrolled in an accredited science or
medical program of study.

(2) Priority.—In making such selection, the
Secretary shall give priority to—

(A) students who, at the time of the com-
pletion of their secondary education, resided in
a health professional shortage area (as defined
in section 332 of the Public Health Service Act
(42 U.S.C. 254e)); and
(B) students who are the first in their immediate family to attend an undergraduate institution.

(g) **OTHER MATTERS.**—The Secretary shall—

(1) establish a formal status to facilitate the access to medical centers of the Department by student observers participating in the pilot program;

(2) establish standardized legal, privacy, and ethical requirements for the student observers, including with respect to—

(A) ensuring that no student observer provides any care to patients; and

(B) ensuring the suitability of a student to participate in the pilot program to ensure that the student poses no risk to patients;

(3) create a standardized application, assessment, selection and processing requirements, and procedures for student observers;

(4) create an online information page and application portal on the Internet website of the Department;

(5) identify participating medical centers and clinicians;

(6) notify the Committees on Veterans’ Affairs of the House of Representatives and the Senate of
the medical centers selected under subsection (d) in a timely manner to facilitate program awareness;

(7) publish the locations of such centers, and other information on the pilot program, not later than 180 days before the date on which applications are required to be submitted by potential student observers; and

(8) establish procedures to follow up with each student observer to ascertain if the student was accepted into medical school.

(h) REPORT.—Not later than 60 days before the completion of the pilot program under subsection (a), the Secretary shall submit to the Committees on Veterans’ Affairs of the House of Representatives and the Senate a report on the results of the pilot program, including—

(1) the number and demographics of all applicants, those accepted to participate in the pilot program, and those who completed the pilot program; and

(2) the results of a reflection survey designed by the Secretary to assess the experience of the student observers.
