

AMENDMENT TO
RULES COMMITTEE PRINT 116-63
OFFERED BY MR. LOWENTHAL OF CALIFORNIA

Page 894, after line 15, add the following:

1 **SEC. 12607. ONLINE PUBLICATION OF GREENHOUSE GAS**
2 **EMISSIONS.**

3 (a) IN GENERAL.—The Secretary of the Interior shall
4 make freely available on a public website, with respect to
5 the previous year—

6 (1) information that describes for each fossil
7 fuel operation that is subject to the mineral leasing
8 laws or title III or V of the Federal Land Policy and
9 Management Act of 1976 (30 U.S.C. 1761 et seq.),
10 regardless of size, including production, storage,
11 gathering, processing, transportation, and handling
12 operations—

13 (A) the aggregate amount of each fossil
14 fuel, by type and by State, produced on Federal
15 leases; and

16 (B) for gas reported, the portion and
17 source of such amount that was released or dis-
18 posed of by each of venting, flaring, and fugi-
19 tive release; and

1 (2) information that describes the amount and
2 sources of energy, in delivered megawatt hours, pro-
3 duced from operating solar, wind, and geothermal
4 projects on public lands under lease for the produc-
5 tion of renewable energy.

6 (b) **FORMAT.**—Information made available under this
7 section shall be presented in a format that—

8 (1) translates such amounts and portions into
9 emissions of metric tons of greenhouse gases ex-
10 pressed in carbon dioxide equivalent using both the
11 20-year and 100-year Global Warming Potential-
12 weighted emission values;

13 (2) for energy produced from solar, wind, and
14 geothermal projects, includes an estimate of the net
15 emissions that would result from production of the
16 same amount of energy from new fossil fuel-fired fa-
17 cilities; and

18 (3) can be downloaded in a machine readable
19 format.

20 (c) **DATA PUBLICATION FREQUENCY.**—The data
21 made available under this section shall be updated at least
22 annually.
