(e) Process for Implementation.—

(1) Process described.—Except as provided in paragraph (2), the implementation of the realignment or closure of a military installation pursuant to the authority of this section shall be carried out in accordance with section 2905 of the Defense Base Closure and Realignment Act of 1990 (title XXIX of Public Law 101–510; 10 U.S.C. 2687 note) in the same manner as the implementation of a realignment or closure of a military installation pursuant to the authority of such Act.

(2) Permitting other parties to cover costs of environmental restoration.—As part of any agreement entered into by the Secretary of Defense to transfer by deed any real property or facilities of an installation which is subject to realignment or closure pursuant to the authority of this section, the person to whom the property or facilities
are transferred may perform such portion of the environmental restoration, waste management, and environmental compliance activities that are required for the property or facilities under Federal and State laws, administrative decisions, agreements (including schedules and milestones), and concurrences as may be agreed to by the Secretary and such person.
