AMENDMENT TO
RULES COMMITTEE PRINT 116–45
OFFERED BY MS. MOORE OF WISCONSIN

At the end of section 6, add the following:

(c) GRANTS FOR EMERGING OR INNOVATIVE WATER TECHNOLOGIES.—

(1) GRANTS.—The Administrator of the Environmental Protection Agency may make grants to eligible entities to—

(A) carry out projects to develop, deploy, test, or improve emerging or innovative water technologies that may assist public water systems in monitoring and addressing the substances described in subsection (a)(2); or

(B) provide technical assistance to increase adoption of emerging or innovative water technologies that may assist water systems in monitoring and addressing the substances described in subsection (a)(2), including adoption by municipal drinking water and wastewater treatment systems, areas served by private wells, and water supply systems in arid areas that are experiencing, or have recently experienced, pro-
longed drought conditions, in a manner that reduces ratepayer or community costs over time, including the cost of future capital investments.

(2) ELIGIBLE ENTITY.—In this subsection, the term “eligible entity” means—

(A) a public water system;

(B) an institution of higher education;

(C) a research institution or foundation;

(D) a regional water organization;

(E) a nonprofit organization described in section 1442(e)(8) of the Safe Drinking Water Act (42 U.S.C. 300j-1(e)(8)); or

(F) an entity representing a regional, multi-State collaboration among entities described in this paragraph.

(3) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this subsection $10,000,000 for each of fiscal years 2021 through 2024.
