AMENDMENT TO RULES COMMITTEE PRINT 118–10

OFFERED BY MR. MOYLAN OF GUAM

Add at the end of subtitle C of title XXXV the following:

SEC. 35. COMPTROLLER GENERAL STUDY AND REPORT RELATING TO THE PORT OF GUAM.

(a) Study Required.—Not later than March 1, 2024, the Comptroller General of the United States shall complete a study that assesses the following:

1. Geographic and logistical factors that affect costs for shipping building materials to Guam.

2. Implications of such factors on military construction projects for the Port of Guam.

3. The state of the facilities of the Port of Guam and estimated costs for repairs or improvements to such facilities.

4. The feasibility of expanding the such port facilities or the capacity of the Port of Guam.

5. The feasibility of granting a waiver of the requirements of the Build America, Buy America Act (41 U.S.C. 8301 note) for construction of facilities for the Port of Guam.
(6) The feasibility of expanding or renewing the Port of Guam Improvement Enterprise Program (established under section 3512 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (48 U.S.C. 1421r)) to expand uses of funds other than for intermodal or marine facilities.

(b) REPORT REQUIRED.—Not later than March 1, 2024, the Comptroller General of the United States shall submit to the Committee of Armed Services of the House of Representatives and the Senate a report on the results of the study required under subsection (a), including policy recommendations to expedite modernization projects of the Port of Guam.
