

**AMENDMENT TO RULES COMMITTEE PRINT 119-4 OFFERED
BY MR. PETERS OF CALIFORNIA**

At the end of title IV, insert the following new section:

Sec. 403. Mobile Pharmacy Registration Study

- (a) Within one year of enactment of this Act, the Department of Health and Human Services, in consultation with the Drug Enforcement Agency, shall conduct a study and submit to Congress a report on the impacts of the requirement that mobile pharmacies operated by local governments obtain separate registration from the Drug Enforcement Agency, distinct from the pharmacy license held by the local government, to operate. The study shall examine, among other factors, how the requirement impacts the capacity of local governments to respond to the opioid overdose epidemic, patient access to treatments for opioid use disorder, overdoses involving opioids, and overdose deaths involving opioids.
