OFFERED BY MR. SAN NICOLAS OF GUAM

In title LI of division E, after section 5105, insert the following:

1 **SEC. 5106. INCLUDING OF TRIBAL GOVERNMENTS AND TER-**
2 **RITORIES IN THE HIGH-RISK MONEY LAUN-**
3 **DERING AND RELATED FINANCIAL CRIME**
4 **AREAS.**

5 (a) FINDINGS.—The Congress finds the following:

6 (1) According to the Department of Justice,
7 human trafficking is “a crime that involves exploit-
8 ing a person for labor, services, or commercial sex”,
9 a global illicit trade that is estimated by Global Fi-
10 nancial Integrity to be valued at more than \$150.2
11 billion each year.

12 (2) Polaris, the non-governmental organization
13 which runs the United States National Human Traf-
14 ficking Hotline, has found that while human traf-
15 ficking is a nationwide problem, the majority of do-
16 mestic human trafficking victims are “people who
17 have historically faced discrimination and its polit-
18 ical, social and economic consequences: people of

1 color, indigenous communities, immigrants and peo-
2 ple who identify as LGBTQ+”.

3 (3) For this reason, it is important that law en-
4 forcement representing native communities and ter-
5 ritories are part of the national dialogue about coun-
6 tering human trafficking.

7 (4) The High Intensity Financial Crime Areas
8 program, which is intended to concentrate law en-
9 forcement efforts at the Federal, State, and local
10 level to combat money laundering in designated
11 high-intensity money laundering zones, considers
12 human trafficking among other financial crime
13 issues and actors.

14 (5) In each High Intensity Financial Crime
15 Area, a money-laundering action team, comprised of
16 relevant Federal, State, and local enforcement au-
17 thorities, prosecutors, and financial regulators,
18 works together to coordinate Federal, State, and
19 local anti-money laundering effort.

20 (6) The High Intensity Financial Crime Area
21 program does not currently mandate the inclusion of
22 law enforcement and other agencies from Tribes and
23 territories.

24 (7) Further, the National Strategy for Com-
25 bating Terrorist and Other Illicit Financing, a valu-

1 able report which is scheduled to sunset in January
2 2022, does not currently mandate the inclusion of
3 law enforcement and other agencies from Tribes and
4 Territories.
