1 “(1) appropriate and sufficiently detailed data
2 related to level effort and direct labor costs are col-
3 lected and analyzed using the Enterprise-wide Con-
4 tractor Manpower Reporting Application, to support
5 the validation of requirements for services contracts,
6 regardless of the scope and value of such contracts,
7 and inform the planning, programming, budgeting,
8 and execution process of the Department of Defense;

9 “(2) requirements for services contracts, re-
10 gardless of scope or value, are evaluated appro-
11 priately and in a timely manner consistent with the
12 sourcing provisions of sections 2461 and 2463 of
13 this title, to inform decisions regarding the procure-
14 ment of services; and

15 “(3) decisions regarding the procurement of
16 services regardless of scope and value, consider
17 available resources and total force management poli-

1 cies and procedures established under sections 129
2 and 129a of this title.”.
