Page 252, strike line 17 and all that follows through page 253, line 3, and insert the following:

“(1) appropriate and sufficiently detailed data related to level effort and direct labor costs are collected and analyzed using the Enterprise-wide Contractor Manpower Reporting Application, to support the validation of requirements for services contracts, regardless of the scope and value of such contracts, and inform the planning, programming, budgeting, and execution process of the Department of Defense;

“(2) requirements for services contracts, regardless of scope or value, are evaluated appropriately and in a timely manner consistent with the sourcing provisions of sections 2461 and 2463 of this title, to inform decisions regarding the procurement of services; and

“(3) decisions regarding the procurement of services regardless of scope and value, consider available resources and total force management poli-
cies and procedures established under sections 129
and 129a of this title.”.
