## AMENDMENT TO THE RULES COMMITTEE PRINT 118–11

OFFERED BY MR. NUNN OF IOWA

Add at the end of title VIII the following:

 1
 SEC. 8\_\_\_\_. REPORT AND RECOMMENDATIONS ON COMMER 

 2
 CIAL SATELLITE INTERNET CONSTELLA 

 3
 TIONS.

4 (a) REPORT REQUIRED.—Not later than 180 days 5 after the date of the enactment of this Act, the Secretary 6 of Commerce, the Secretary of Transportation, the Chair of the Federal Communications Commission, the United 7 States Attorney General and the Administrator of the Na-8 9 tional Aeronautics and Space Administration shall each 10 submit to Congress a report that includes the following: 11 (1) A description of interagency policies and 12 procedures related to data collection by commercial 13 satellite internet constellations. 14 (2) A description of current policies and regula-

15 tions of the Federal Government on data collection16 by commercial satellite internet constellations.

17 (3) An assessment of the national security risks
18 that could be exploited by commercial satellite inter19 net constellations and unidentified foreign aerial re-

 $\mathbf{2}$ 

- connaissance vehicles and how such risks are being
   mitigated with technological advances.
- 3 (4) An assessment of the current status of pub4 lic and private investment by foreign entities, includ5 ing state-owned, state-directed or state-controlled
  6 companies, funds or organizations in commercial
  7 satellite internet constellation entities and projects
  8 in the United States.
- 9 (5) The current policies and regulations of the10 Federal Government on such investments.
- (6) A description of the processes under which
  commercial satellite internet constellation entities
  may receive such investments, and the processes to
  continuously evaluate such investments, during the
  procurement process.
- 16 (b) RECOMMENDATIONS.—Not later that 180 days 17 after receipt of each report required under subsection (a), the Secretary of Commerce, the Secretary of Transpor-18 19 tation, the Chair of the Federal Communications Commis-20 sion, the United States Attorney General, and the Admin-21 istrator of the National Aeronautics and Space Adminis-22 tration shall jointly submit to Congress a set of rec-23 ommendations that contains the following:

3

1	(1) A description of future interagency plans to
2	address data collection by commercial satellite inter-
3	net constellations.
4	(2) A list of existing enforcement actions that
5	can be used to defend the United State from risks
6	identified in subsection (a)(4).
7	(3) An actionable plan on steps Congress can
8	take to address such risks.
9	(c) FORM.—Any report submitted under this section
10	shall be submitted in unclassified form, but may include
11	a classified annex.
12	(d) DEFINITIONS.—In this section:
13	(1) Commercial satellite internet con-
14	STELLATION.—The term "commercial satellite inter-
15	net constellation" means a group of artificial sat-
16	ellites provided by one or more commercial entities
17	that are used to provide broadband internet service
18	to consumers.
19	(2) UNIDENTIFIED FOREIGN AERIAL RECON-
20	NAISSANCE VEHICLE.—The term "unidentified for-
21	eign aerial reconnaissance vehicle'' means an uniden-
22	tified flying object that Federal Government officials
23	reasonably believes to be a reconnaissance vehicle
24	operated by a foreign government due to the object's

- 1 unmarked construction, high speed, advanced tech-
- 2 nology, and ability to evade detection.
