SEC. 13. UNIT COST REPORTING.

(a) REPORT REQUIRED.—The agency of each State or territory of the United States, including the District of Columbia, that has responsibility for transportation in that State or territory shall submit to the Committee on Transportation and Infrastructure of the House of Representatives, the Committee on Environment and Public Works of the Senate, and the Secretary, each Federal fiscal year for which that State or territory receives funds made available under this Act, including amendments made by this Act, a report under this section.

(b) REPORT DESCRIBED.—Each report submitted under subsection (a) shall be prepared in accordance with the following:

(1) The report may not exceed one page in length, but may be supplemented by appendices or further explanatory information.
(2) The report shall be published on an Internet Web site of the agency.

(3) The report shall include information on each expenditure by the agency for that year for a transportation activity that the agency began, attempted, continued, or completed, including any activity undertaken by a contractor or subunit of the agency, disaggregated—

(A) by program; and

(B) as separate line items expressing the unit cost of each activity.

(4) The report shall include a demonstration that the sum of the products obtained by multiplying each line item by the number of instances of the applicable activity is equivalent to the total expenditures of that agency for that year for transportation activities.

(5) The report shall include information, by line item, on any funds that the agency received but did not expend, including funds that the agency has no authority to expend that are passed through to other entities by the agency, and such amounts shall not be expressed in unit cost format.

(6) The report shall, to the greatest extent practicable, include activities in a manner that per-
mits comparison of activities among each such report.

(c) PENALTY FOR NONCOMPLIANCE.—The Secretary shall withhold 10 per centum of the amount required to be apportioned to any State or territory under each of sections 104(b)(1) and 104(b)(3) of title 23, United States Code, on the first day of each Federal fiscal year, if that State failed to comply with the requirement under subsection (a) for the preceding Federal fiscal year, after the first Federal fiscal year beginning after September 30, 2012.
